

Classic American Muscle (CAM)

from the 2016 SCCA® National Solo® Rules, Appendix B

Rationale: The purpose of CAM is to attract automobile enthusiasts who are currently interested and/or participating in Goodguys®, Ultimate Street Car Association®, or other similar events for “classic” vehicles manufactured in North America by “The Big Three” based in the US - GM, Ford, and Chrysler (*AMC is also included*). These avid enthusiasts would largely be a new and different group to join us as SCCA® members and participants. Regions are encouraged to offer this *great recruitment tool* using a single CAM class or *more* to encourage Classic American Muscle car enthusiasts to join the fun at your SCCA® Solo® events!
